Bhuvaneshwaran K

Advanced Data Scientist at Honeywell

Bengaluru, Karnataka, India

Summary

I'm a person with knowledge in Machine Learning, deep learning, NLP, Computer vision, OPENALPR and analytics. Mainly experienced in developing AI chat bots from scratch and also in using cloud services for various conversation channels.

Very passionate about learning technologies like IOT, Block chain and RPA.

Experience

Honeywell

Advanced Data Scientist

February 2022 - Present (1 year 7 months)

Bengaluru, Karnataka, India

Started adding my values to Honeywell's Building Technology Automations mainly in EMaaS (Energy Management as a Service) enablement and ML end-to-end pipeline deployment using Azure and Databricks.

Altran

Senior Data Scientist

May 2019 - February 2022 (2 years 10 months)

Bengaluru Area, India

Highly contributed in ML - Operations framework developments which will address complete top to bottom (Development to Deployment) stages in predictive analysis.

Servion Global Solutions

Data Science Consultant

August 2018 - May 2019 (10 months)

Bengaluru, Karnataka, India

Contributed in Server failure and root cause analysis for data center instance usages using statistical, machine learning and deep learning timeseries techniques.

Cognizant

Data Scientist

January 2016 - August 2018 (2 years 8 months)

Bengaluru, Karnataka, India

Worked in a self learning mode for making analytics and automation better. Highly contributed in developments like Text analysis, automation processes, AI Chatbots and ML/DL models.

Inspirate Technologies

Python Developer

May 2015 - January 2016 (9 months)

Salem Area, India

Worked as a Python developer for developing android and web applications using python as a backend.

Education

Sri Shanmugha College of Engineering & Technology

Bachelor of Engineering (BEng), Computer Science · (2011 - 2015)

Free Code Camp

Full Stack Web Development Certification, Computer Software Engineering · (2017 - 2018)

Diamond Jubilee Hr. Sec. School

Higher Secondary Education, Biology, General · (2005 - 2011)
